

# Other Information

Every Child Matters Academy Trust  
Children at the heart

## General information

- Please bring PE kits on Monday and take them home at the weekend for washing.
- Classroom doors open at 8.30 in the morning
- No jewellery should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to label all uniform to prevent it from getting lost.
- Any money that your child may need at school should be brought in a labelled wallet or purse.

## Further Information

We hope this guide has given you more of an insight in to your child's next academic year at Wombwell Park Street Primary School.

If you have any further questions then please don't hesitate to ask the staff at our school, who will do their best to answer your questions.

# Transition

## What is transition?

Transition is the process by which children enter our school, move from year group to year group and finally leave us and move on to secondary school.

## Why is transition important?

Whether children are starting school for the first time or moving classes within the same school, parents and children may have concerns and worries. Those worries are often about the unknown and effective transition will ensure you have ample opportunity to ask questions and prepare for the changes ahead. When transition is done well, children will retain their self-confidence, self-esteem and continue to make good progress. Parents will also feel well informed and able to support their child's development at home.

## How do we manage transition?

On July Thursday 6th 2023, the children will take part in a transition day. During this day, there will be a focus on developing the beginnings of relationships with staff and pupils that will be in the class next year. As part of this each child will:

- Be introduced to this year's transition theme 'Making a Difference' through the story 'The Planet in a Pickle Jar'.
- Find out about their Team and the learning that will take place next year.
- Take part in activities that support staff in understanding each pupil in their class.

## About Miss Fury

Hello, I'm Miss Fury, class teacher in Team JF. This is my sixth year of teaching at Park Street and I have enjoyed every moment of it. My ultimate aim is to enable your child to reach their full potential whilst enjoying their time at school. I am very excited to be working with a fantastic group of children and I intend to bring some new and fresh ideas to the classroom.

I enjoy all curriculum areas but as science lead, I have a real passion for this subject and hope to share my enthusiasm with the children.

Outside of school, I enjoy travelling to new places, walking and spending time with my family and friends.

## About our Curriculum

Our exciting curriculum is divided into three terms:

**Autumn Term:** What is life like in the UK? (Geography Focus)

**Spring Term:** The Great Fire of London. (History Focus)

**Summer Term:** Plants and Animals at the Seaside. (Science Focus)

In the Autumn Term, we will be exploring our local area and key features of our country. We will then explore the other countries within the UK and compare theirs with ours.

In the Spring Term, we will be learning about The Great Fire of London. Here we will explore how and why the fire started, the devastating destruction it caused, how it changed future building and Samuel Pepy's insight to this time.

In the Summer Term, we learn about continents and oceans of the world. We then focus on the key physical features of plants and animals in seaside locations such as vegetation, adaptation, seasons and weather.
