

Fill Them In Game 1

True or False?
If I count in tens
from 0, I will say
the number 40.

What is wrong
with the
sequence below?
1, 10, 20, 30, 40...

What multiple of 10
do you think follows
100? Why do you
think this?

What do you notice
about all of the
numbers on the
snake?

Explain to a partner
how you can easily
add 10 onto a
number using a 100
Square...
