

COVER UP

For 2 players. You need: a 1-12 dice and 20 counters.

How to play

- Each player should have 10 counters of one colour each
- Take it in turns to roll the dice, and multiply the number on the dice by two
- If you can find your answer in a circle below, cover it with a counter in your colour
- If it is already covered, you miss a turn!
- Keep taking turns until someone has placed their last counter

The winner is the person with the most counters on the board.
