

Other Information

Every Child Matters Academy Trust
Children at the heart

General information

- Please bring PE kits on Monday and take them home at the weekend for washing.
- Classroom doors open at 8.30 in the morning
- No jewellery should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to label all uniform to prevent it from getting lost.
- Any money that your child may need at school should be brought in a labelled wallet or purse.

Further Information

We hope this guide has given you more of an insight in to your child's next academic year at Wombwell Park Street Primary School.

If you have any further questions then please don't hesitate to ask the staff at our school, who will do their best to answer your questions.

Transition

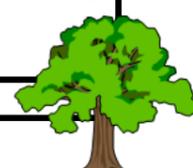

Team EO

What is transition?

Transition is the process by which children enter our school, move from year group to year group and finally leave us and move on to secondary school.

Why is transition important?

Whether children are starting school for the first time or moving classes within the same school, parents and children may have concerns and worries. Those worries are often about the unknown and effective transition will ensure you have ample opportunity to ask questions and prepare for the changes ahead. When transition is done well, children will retain their self-confidence, self-esteem and continue to make good progress. Parents will also feel well informed and able to support their child's development at home.

How do we manage transition?

On July Friday 9th 2021, the children will take part in a transition day. Unfortunately, due to the pandemic our pupils will not be able to mix bubbles and so the transition day will be with current class teachers and have a focus on moving on and meeting new people. For our transition day, we will be using the text 'The Invisible String' as a focus.

Each class will:

- reflect on the positive experiences they have had this year
- receive a letter and write a letter to their new class teacher
- have a story time session with their new class teacher (over Zoom or with the new class teacher at the door).

About Miss Overton

I am a Newly Qualified Teacher and I completed my teacher training here at Park Street. I am delighted to be starting my teaching career here and I cannot wait to welcome you into my class in September! I am passionate about teaching, particularly in the early years' and I aim to make all learning active and exciting as I know this is how the younger children learn best.

Some of my favourite subjects to teach are phonics and maths. My favourite time of the day is story time! I really enjoy reading stories to you all and I hope to pass this enjoyment on to you.

About our Curriculum

Our exciting curriculum is divided in to three terms:

Autumn Term: Marvellous Me and Sparkle and Shine. Our geography focus will be—What is it like to live in different parts of the UK?

Spring Term: Magical Storyland and Amazing Animals. Our history focus will be—Why are these people famous - linked to Great Fire of London?

Summer Term: Watch It Grow and Off We Go. Our science focus will be—Which animals live at the seaside?

In the Autumn Term we will be focusing on making friends, learning our routine and exploring our new classroom environment!

In the Spring Term, we will be exploring traditional tales and different animals.

In the Summer Term, we learn all about minibeasts and plants and we will explore the seaside and different places we can travel to such as space!
