

# Other Information

Every Child Matters Academy Trust  
Children at the heart

## General information

- Please bring PE kits on Monday and take them home at the weekend for washing.
- Classroom doors open at 8.30 in the morning
- No jewellery should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to **label all uniform** to prevent it from getting lost.
- Any money that your child may need at school should be brought in a labelled wallet or purse.

Teaching Assistants: Mrs Sykes and Mrs Greenhalgh

# Transition

## What is transition?

Transition is the process by which children enter our school, move from year group to year group and finally leave us and move on to secondary school.

## Why is transition important?

Whether children are starting school for the first time or moving classes within the same school, parents and children may have concerns and worries. Those worries are often about the unknown and effective transition will ensure you have ample opportunity to ask questions and prepare for the changes ahead. When transition is done well, children will retain their self-confidence, self-esteem and continue to make good progress. Parents will also feel well informed and able to support their child's development at home.

## How do we manage transition?

On July Thursday 6th 2023, the children will take part in a transition day. During this day, there will be a focus on developing the beginnings of relationships with staff and pupils that will be in the class next year. As part of this each child will:

- Be introduced to this year's transition theme 'Being yourself and standing out from the crowd' through the story 'The Planet in a Pickle Jar'.
- Find out about their Team and the learning that will take place next year.
- Take part in activities that support staff in understanding each pupil in their class.

## About Mrs Firth

Hello, I'm Mrs Firth teacher of Year 4/5. I am currently Maths Lead, PR Lead, Computing Lead as well as Online Safety Lead and School Council Lead. I am very excited to be working with a fantastic group of children and I always aim to bring some new and fresh ideas to the classroom. I am passionate, enthusiastic and motivated in keeping children engaged whilst working hard to reach their targets.

I enjoy all curriculum areas but my real passion is Maths and Drama. I aim to share this enthusiasm with the children throughout the upcoming year.

Outside of school I love to spend my time with family and friends. I also enjoy swimming, going to the gym and reading—but not all at the same time!

## About our Curriculum

### THIS WILL NEED CHANGING TO YOUR CLASS TOPICS

Our exciting curriculum is divided into three terms:

Autumn Term: Whitby and Wombwell (Geography Focus)

Spring Term: Life in the past (History Focus)

Summer Term: Habitats and Life cycles (Science Focus)

In Team LF, we will be comparing Wombwell and Whitby, including the landscape, history, economy and lifestyle.

In the Spring Term, we will be learning about the Ancient Greeks and the First World War.

In the Summer Term, we learn all about different habitats and animals in our topic, 'I'm a Teacher Get Me Out of Where?'
