

Other Information

Every Child Matters Academy Trust
Children at the heart

General information

- Please bring PE kits on Monday and take them home at the weekend for washing.
- Classroom doors open at 8.35 in the morning
- No jewellery should be worn for PE. Please try to avoid jewellery for schools but watches are helpful for learning about time.
- Please remember to **label all uniform** to prevent it from getting lost.
- Any money that your child may need at school should be brought in a labelled wallet or purse.

Further Information

We hope this guide has given you more of an insight in to your child's next academic year at Wombwell Park Street Primary School.

If you have any further questions then please don't hesitate to ask the staff at our school, who will do their best to answer your questions.

Transition

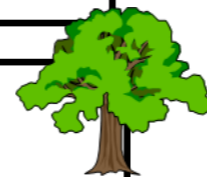

What is transition?

Transition is the process by which children enter our school, move from year group to year group and finally leave us and move on to secondary school.

Why is transition important?

Whether children are starting school for the first time or moving classes within the same school, parents and children may have concerns and worries. Those worries are often about the unknown and effective transition will ensure you have ample opportunity to ask questions and prepare for the changes ahead. When transition is done well, children will retain their self-confidence, self-esteem and continue to make good progress. Parents will also feel well informed and able to support their child's development at home.

How do we manage transition?

On July Thursday 5th 2023, the children will take part in a transition day. During this day, there will be a focus on developing the beginnings of relationships with staff and pupils that will be in the class next year. As part of this each child will:

- Be introduced to this year's transition theme 'Making a Difference' through the story 'The Planet in a Pickle Jar'.
- Find out about their Team and the learning that will take place next year.
- Take part in activities that support staff in understanding each pupil in their class.

Team AF

About Mr Fidment

Hello and welcome to our class page. I am Mr Fidment, Team AF's Class Teacher, as well as Assistant Headteacher for Inclusion at Park Street. I absolutely love teaching at Park Street and I am passionate about developing an environment that is built upon positive relationships. I am very excited to be working with a fantastic group of children. As any child in school will tell you, I love teaching others about the brain and how this impacts and develops our emotions. When I'm not at school I love to spend my time with my dog (Sumo), go skiing and train Army Cadets!

About our Curriculum

Our exciting curriculum is divided into three terms:

Autumn Term: The world around us - Our Local area (Geography Focus)

Spring Term: Life in the past and Famous People (History Focus)

Summer Term: Habitats - including the seaside and coastal habitats (Science Focus)

In the Autumn Term we will be learning about the different climates and Weather from around the world. We will focus on the more extreme weathers.

In the Spring Term, we will be learning about the Ancient Egyptians.

In the Summer Term, we learn all about the process of making chocolate!
