Class Teacher: Mrs L Longden

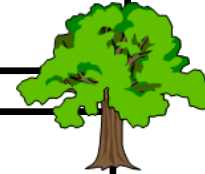

Teaching Assistants: Miss Murray and Mrs Hinds

# Transition

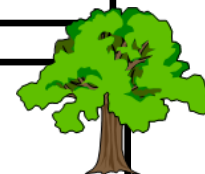

## What is transition?

Transition is the process by which children enter our school, move from year group to year group and finally leave us and move on to secondary school.

## Why is transition important?

Whether children are starting school for the first time or moving classes within the same school, parents and children may have concerns and worries. Those worries are often about the unknown and effective transition will ensure you have ample opportunity to ask questions and prepare for the changes ahead. When transition is done well, children will retain their self-confidence, self-esteem and continue to make good progress. Parents will also feel well informed and able to support their child's development at home.

## How do we manage transition?

On July Thursday 5th 2023, the children will take part in a transition day. During this day, there will be a focus on developing the beginnings of relationships with staff and pupils that will be in the class next year. As part of this each child will:

- Be introduced to this year's transition theme 'Making a Difference' through the story 'The Planet in a Pickle Jar'.
- Find out about their Team and the learning that will take place next year.
- Take part in activities that support staff in understanding each pupil in their class.

# Team LL

## About Mrs Longden

I am Mrs Longden and I am lucky enough to be the Deputy Head at Park Street, as well as one of the Year 6 teachers. I have several responsibilities in school including: leadership of the wider curriculum, leading on pupil premium and along with Mrs Lawson I am the designated safeguarding lead. My absolute passion in life is creativity and the arts. I absolutely love, art, dance, drama, creative writing and music; I am very proud that our school offers pupils the chance to engage to a high standard in all of them. When I am not in school I love to enjoy reading, watching films, going for walks and cooking for my family. I absolutely love being part of Team Park Street and having the privilege of working alongside the most amazing team of children and adults.

## About our Curriculum

Our exciting curriculum is divided into three terms:

**Autumn Term:** The world around us - 'Extreme Earth' (Geography Focus)

**Spring Term:** Who were the ancient Egyptians? (History Focus)

**Summer Term:** What's the story behind chocolate? Sorting and separating materials and changing states. (Science Focus)

In the Autumn Term we will be learning about the different climates and Weather from around the world. We will focus on the more extreme weathers.

In the Spring Term, we will be learning about the Ancient Egyptians.

In the Summer Term, we learn all about the process of making chocolate!
