## MATHS

1. I can read, write, order and compare numbers up to 10 000 000 and determine the value of each digit

2. I can solve number and practical problems that involve place value, rounding, negative numbers etc..

Addition, Subtraction,

Fractions, Percentages and

- 3. I can multiply multi-digit numbers up to 4 digits by a two-digit whole number using the formal written method of
- 4. I can divide numbers up to 4 digits by a two-digit whole number using the formal written method of long division, and interpret remainders as whole number remainders, fractions, or by rounding, as appropriate for the
- 5. I can perform mental calculations, including with mixed operations and large numbers
- 6. I can use my knowledge of the order of operations to carry out calculations involving the four operations.
- 7. I can solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to
- 8. I can solve problems involving addition and subtraction, multiplication and division and a combination of these, including understanding the meaning of the equals sign
- 9. I can add and subtract fractions with different denominators and mixed numbers, using the concept of
- 10. I can multiply simple pairs of proper fractions, writing the answer in its simplest form
- 11. I can divide proper fractions by whole numbers
- 12. I can associate a fraction with division and calculate decimal fraction equivalents [for example, 0.375] for a
- 13. I can multiply one-digit numbers with up to two decimal places by whole numbers
- 14. I can use written division methods in cases where the answer has up to two decimal places
- 15. I can solve problems which require answers to be rounded to specified degrees of accuracy
- 16. I can recall and use equivalences between simple fractions, decimals and percentages, including in different
- 17. I can solve problems involving the calculation and conversion of units of measure, using decimal notation up to three decimal places where appropriate
- 18. can use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation to up to three
- 19. I can recognise when it is possible to use formulae for area and volume of shapes
- 20. I can calculate the area of parallelograms and triangles
- 21. I can calculate, estimate and compare volume of cubes and cuboids using standard units, including cubic centimetres (cm3) and cubic metres (m3), and extending to other units [for example, mm3 and km3]
- 22. I can compare and classify geometric shapes based on their properties and sizes and find unknown angles in any triangles, quadrilaterals, and regular polygons.
- 23. I can recognise angles where they meet at a point, are on a straight line, or are vertically opposite, and find
- 24. I can solve problems involving the calculation of percentages [for example, of measures, and such as 15% of 360°l and the use of percentages for comparison
- 25. I can solve problems involving unequal sharing and grouping using knowledge of fractions and multiples
- 26. I can use simple formulae

## READING

Decoding	Confident in <b>BLACK</b> or <b>FREE READER</b>
ę.	1. continuing to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction and reference books or textbooks
ses	2. confidently read books that are structured in different ways and for a range of purposes
attituo Jg	3. make comparisons within and across books
Sustain positive attitudes to reading	4. prepare poems and plays and stories to read aloud and to perform, showing understanding through accurate intonation, tone and volume so that the meaning is clear to an audience
Sust	5. reading stories with intonation and relevant expression
independent Comprehension	6. checking that the book makes sense to them, discussing their understanding and continue exploring the meaning of words in context
indent Com	7. summarising the main ideas drawn from more than one paragraph, identifying key details that support the main ideas
lepe	8. evidencing how language, structure and presentation contribute to meaning
oul	9. discuss and evaluate how authors use language, including figurative language, considering the impact on the reader

## WRITING

1 describing settings and characters 2. creating atmosphere that includes dialogue to show a characters mood/feeling/ideas 3. in narratives, describing settings and characters 4. marking sentences correctly with: capital letters and full stops, question marks, exclamation marks 5. correct use of: commas for lists, after fronted adverbials*, apostrophes for possession and contraction, direct speech • mostly correct use of: 6. speech marks 7. commas for clarity 8. punctuation for parenthesis (brackets used around an aside ideas/fact, or something less important point) 9. semi-colons (shows a longer pause;) 10. dashes (can be used to show a pause, or to link two words 11. colons (used before a list:) 12. hyphens (can be used to show a pause, or to link two words -) 13. selecting vocabulary and sentence structures that show the level of formality required mostly correctly 14. using a range of phrases, words and sentences including adverbials, within and across sentences and paragraphs 15. using passive and modal verbs mostly appropriately 16. using a wide range of clause structures, sometimes varying their position within the sentence 17. using adverbs, preposition phrases and expanded noun phrases effectively to add detail and precision 18. spelling words correctly* (year 3 and 4)  20. maintaining legibility, fluency and speed in handwriting through choosing whether or not to join specific letters.	Each child must be able to meet these standards across a wide range of genre i.e. story, persuasion, recount, report etc
