Headteacher: Mrs C Lawson

Deputy Headteacher: Mrs L Longden

Assistant Headteachers: Miss C McGinnes and Mr A Fidment

School Business Manager: Mrs C Turner

Wednesday 18 October, 2023

Dear Parent / Carers,

## Attendance and Punctuality - October 2023

Attendance is always high on our priorities.

As a school we want to ensure that your child receives the optimum education on offer. This means attending and arriving on time every day where possible and working to the best of their ability.

A reminder of our up to date procedures for managing and supporting attendance / punctuality are detailed below:

Circumstance	Action from parent / carer	Action from school
If your child is too ill to attend school:	Please inform school of your child's absence by 8.45am, giving an explanation and specific details for their absence (i.e. illness specific) and their expected day of return. We have a dedicated attendance line on 01226 752029 or you can send us a text message via the School Gateway.	If you have not made contact, school will try to ring you for a reason for your child's absence. If we cannot contact you by telephone we will send a text. If contact is not made then the absence will be coded as unauthorised and you will need to speak to school to discuss these absences. In some cases, a home visit may be necessary to ensure the safety of your child and / or family.
If your child is late for school:	Children are expected to arrive at school on time. Classroom doors are opened at 8.35am and our school day starts at 8.40am. Children should be <b><u>in their classroom by 8.40am at the latest</u></b> so they can be registered in class. When children are late, this disrupts the start of their day and the rest of the class – plus it is very embarrassing for a child to walk into a classroom / lesson late. If a child arrives at school after 8.40am, they should come through the main school doors and be signed in by the school office. <b><u>All pupils arriving late should be accompanied by an adult</u></b> so that they can be signed in with the reason for lateness.	If your child arrives at the school office alone, parents will receive a phone call asking you why your child is late and reminding that they need to be signed in by an adult. Where your child is late 3 times or more you will receive a letter. If your child continues to be late you will receive a second letter informing you that their punctuality is being closely monitored. Further lateness will result in you being invited to attend a meeting with the Attendance Lead, Parent Support Advisor and our Education Welfare Officer to discuss how school can support you to ensure your child arrives on time.

Wombwell Park Street Primary School is proud to be part of the

Every Child Matters Academy Trust  
Children at the heart

<b>If your child has an essential medical appointment:</b>	Parents need to provide school with evidence of any appointments in order that they can be authorised. This can be a letter, appointment card or text message. Where an appointment falls mid-morning or during the day, the child should attend prior and return after appointments where possible to avoid them missing important learning time. Siblings are expected to attend school and their attendance should not be affected by other family member's appointments.	Genuine illnesses and essential medical appointments are usually authorised. <b>Appointments should be made outside of the school day wherever possible.</b> Where a child is persistently having time off because of illnesses, the school nurse may be able to help. In some cases a letter will be sent out requesting evidence of illness. If this is not provided in these cases, the absence will be unauthorised and may result in Education Welfare Service interventions or referrals.
<b>If your child has sickness or diarrhoea:</b>	If a child is absent due to sickness / diarrhoea and this is due to a bug, parents are asked to keep their child off for 48 hours after the last bout of this. However, if this is due to food or a build-up of mucus etc and therefore unlikely to be infectious, the child can return to school as soon as they are well.	If school policy has not been followed, we will contact parents for the child to be collected to avoid the spread of any infection.
<b>If your child's attendance falls below 90%:</b>	This could be due to various reasons and it is likely that the school are already working with you to improve your child's attendance.	At this point your child is classed as being a persistent absentee. Regular meetings will take place with school and the EWO to support in improving attendance. Other options of intervention and support could be an Early Help Assessment where professionals can become involved such as school nurse, health professionals and SENDCO.
<b>COVID-19/serious childhood illnesses</b>	Please contact school to discuss symptoms in order for recommended Government/Public Health England guidance to be followed.	School will follow Government/Public Health England guidance and contact parents to inform them of any further action that is required.
<b>In the event of an outbreak/pandemic</b>		If the school experiences an outbreak/pandemic such as Covid-19/other serious illness we will contact the local Health Protection Team or follow Government guidance.
<b>Leave of absence applications during term time</b>	We do not authorise school absence purely for family holidays. If you feel you have an exceptional circumstance it is advised that you speak to school before making plans. Leave of Absence forms are available from the school office or can be emailed to you and should be completed and submitted <b>at least 14 days</b> before the requested leave to give sufficient time for processing.	School will process applications and contact you by text when your letter of response is ready. Any unauthorised holidays that are still taken may have to be referred to the Local Authority and a fine may result. For instances where an application is not submitted or parents do not notify the school in advance of a holiday being taken, school will follow procedures and a penalty notice may still be issued. <b>Please note fines are paid to the Local Authority and not received by school.</b>
