Dear Parents/Carers,

Dojo Celebration for Team AG

We have made it, 8000 dojo points! I am sure you are aware that we have reached our class target of 8000 dojo points, the children are extremely excited. They have discussed what they would like for their reward and have settled on the idea of a picnic. They have however, decided that they would like to make their picnic themselves, from scratch, how exciting! We will be having our picnic on Thursday 12th July.

As all children in key stage one are entitled to a free school meal, the school kitchen will be providing the ingredients for sandwiches and fruit, so children will not need to order a school meal this day. The children have then written a list of other food items they would like to make, such as biscuits, sausage rolls, buns etc. In order to make this possible, we will be putting a sign up sheet in the classroom asking children to bring in ingredients for something we will be making. We ask that if you are able/ would like to contribute, that you help your child choose something to bring, write it on the sheet and that they bring it to school on Thursday morning. The children, and staff are extremely excited for our special day! Children should come to school in uniform but bring some casual "picnic clothes" and a blanket and teddy if they wish. We will be playing sports in the afternoon to continue our special day.

Thank you once again for your continued support.
