What does good Self Management look like?

Captain Creative

Are you a creative thinker?

Why is it so important?

It is important not to give up have a go ourselves before we ask a grown up.

We need to understand that often problems can be solved indifferent ways and there might not be just one answer.

Just because we are children doesn't mean we can't come up with brilliant ideas and solutions.

Life would be really boring without creativity.

Captain Creative's

Homework Challenge

To be returned by Friday 21st September 2018

Homework challenge

My name is Captain Creative. It is my mission to help children think creatively and use different methods and ideas. We are all very excited about Easter and our challenge is going to reflect this.

Let's celebrate together!

All children who complete the challenge will receive a certificate and the chosen pictures will be used on the school website

We would like to update the staff pictures on the website. To do this we are asking children to create a portrait of the staff in their NEW classes. Portraits can be created in any way you feel will make a good likeness to the member of staff. You may create a portrait of one of the staff members or more if you wish

What do the staff in your class look like?

Mrs Longden

Mrs Lawson

Mrs Clayton

Mrs Hinds
