**Apologies:**

### **Focus of meeting:**

*We love word day!*

### **Details:**

- CB met with Junior Reader Leaders and Y4-6 JRL fed back on how their support has been going. Their TTs are working well and children are enjoying the role.
- Children's reading role in school is now embedded and CBs monitoring of JRL in action was encouraging - children were using RWI strategies such as My turn Your Turn and Fred Talk to encourage children who were accessing phonic level texts.
- Feedback related to the fact that accuracy and fluency is improving.
- CB discussed with JRL what we could do to raise the profile of vocabulary in school. As a group we discussed hosting a we love words day where children come dressed as their favourite word to raise awareness of new language. Children to parade their words and explain to others what their word means.
- Chn to discuss this with their classes to see if they would enjoy the challenge.
- Certificates to be given for most inventive costume and interesting word.

### **Required actions:**

- CB to send letter out to whole school with plans for we love word day.
- CB to organise certificates for children for best word and costume.
- Speak with CL to organise a whole school celebration of words in assembly.
- CB to share information with staff to encourage all to participate.
