Dear Parents / Carers,

## School Milk Scheme

We have a school milk scheme that is available to all our pupils. Milk is completely free for all under-fives and /or those registered for free school meals. It is subsidised for pupils aged five or older for 22 pence per day working out at around £15 per term.

Each pupil registered with Cool Milk will receive a daily carton of semi-skimmed which is delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it bridges the long gap between breakfast and lunch and helps children to stay focused. Why not find out the top ten reasons to drink school milk – visit [www.coolmilk.com/whyschoolmilk](http://www.coolmilk.com/whyschoolmilk) for more information.

### Children under 5 and / or registered for free school meals

- If your child is under 5 and / or registered for free school meals they will be automatically registered for free milk by the school (if your child does not want this milk please contact the school office).
- For those children not registered for free school meals, free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request three weeks before this time - if you wish your child to continue to receive school milk simply make a payment.
- Free milk for children entitled to free school meals will continue to be delivered until they leave primary education, or when they are no longer eligible for free school meals.

### Children five or older and not registered for free school meals

- You will need to complete a registration form or register online as soon as possible.  
Just register at: [www.coolmilk.com/register](http://www.coolmilk.com/register)
- Shortly after registering you will receive a payment request. You can pay Cool Milk either online, at a local PayPoint, over the phone or by cheque in half-termly, termly or annual instalments.
- You will need to pay by a Tuesday for your child's milk to start the following week.

If you have any questions regarding school milk please visit [www.coolmilk.com](http://www.coolmilk.com) or contact Cool Milk directly on 0844 854 2913. More information on milk is also available from the school.

Yours sincerely

Mrs C Lawson  
Headteacher
