Dear Parents / Carers,

Seesaw

After the successful launch of Seesaw, as an online learning platform, and the positive feedback we have received, we have made the decision to use Seesaw to further enhance how we support children. As of September, we will be using Seesaw to set homework learning for children. This will allow us to have a better way of communicating homework with home – no more 'lost' homework! However, we understand that some people may prefer paper copies. If this is the case, please speak to your child's class teacher.

To access your child's account you will need to use the text code that is located on the additional Seesaw letter provided.

Here is how to log on to your child's account:

Home Learning

1. Go to <https://app.seesaw.me> on a computer. Or install the Seesaw Class App on an iOS or Android device

2

2. Choose "I'm a Student"

3. Type in your 'text code' letters to access your Seesaw account.

We hope that this helps with your child's education at home.
Should you require any further information please do not hesitate to contact us.

Regards,

Mrs Firth Mr Davison
