Dear Parents/Carers,

As a school, we are committed to ensuring your child gets the best possible education that we can offer. With the current circumstances, we know that education is difficult. With this in mind, we have subscribed to the online platform 'SeeSaw'.

SeeSaw is a platform that allows teachers to set home learning for each child in their class. It also allows pupils to access the learning online and complete it – no need to print! Once the work is complete, it can be reposted for class teachers to see.

We hope that this will offer you support with home learning and our staff are excited to see all the amazing learning your child is doing at home. To access your child's account you will need to use the text code that is located on the email.

Here is how to log on to your child's account:

Home Learning

1. Go to <https://app.seesaw.me> on a computer. Or install the Seesaw Class App on an iOS or Android device.

2. Choose "I'm a Student"

3. Type in your 'text code' letters to access your Seesaw account.

We hope that this helps with your child's education at home.

For those of you who have let us know that your child does not have access to a tablet / computer, we will be in touch shortly with a plan forwards.

Should you require any further information please do not hesitate to contact us.

Happy home learning and SeeSawing.
