Dear Parent/ Carer,

Gear Up for the 5 Day Step Pedal Push Challenge, taking place from **June 12th to June 16th 2023.**

The challenge gets pupils, friends and families travelling actively to school by either:

- Stepping – Walking, Jogging. Running
- Pedalling – Cycling
- Pushing - Scooter, wheelchair, rollerskates etc...

Pupils can record how they travelled to school each day on their very own 5 day tracker, There will also be a different activity each day, for children to take part in on their way to school.

After completing the challenge, parents, scan the QR Code to easily log onto the online survey and record how your children travelled to school for the week. Its as simple as that! there will be some scooterrific prizes up for grabs!

We would love to see how you get involved, so tag us in any photographs using **#Barnsley5SPP** on the @BarnsleyMoving Twitterpage and Facebook page.
