RE: Team GG's Parental Meetings

Dear Parent / Carer,

Thank you for your patience and understanding in re-organising the Parental Meetings for Team GG. As you will be aware, Miss Grayhurst is sadly off school at the moment and was unable to complete the Parental Meetings as originally planned.

I am conscious that you will be wanting an update on your child's start to life in Year 3 and whilst Miss Grayhurst is absent, I would like to still provide you with an opportunity to get some feedback and discuss your child with a member of our Senior Leadership Team in school, should you wish to.

With this in mind, our Leadership Team will be offering a drop in evening for Team GG parents on:

Thursday 28th November 2019, from 3.30-5pm

You will have the chance to drop in at a convenient time to yourselves and meet with either:

Mrs C Lawson (Headteacher); Mrs L Longden (Deputy Headteacher); Miss McGinnes (FS and KS1 Leader); Mrs Vaughton (Lead SENCo) and Mr Fidment (SENCo)

We will be happy to meet parents, share your child's work so far this academic year and discuss the progress they are making, reflecting on any personal targets they might have. Miss Bates and Miss Rowson (Teaching Assistants in Team GG) will also be around in the classroom, should you require any further information, which is more class based.

On the afternoon, simply come in to the school through the normal **main school entrance** and at 3.30pm the doors to the main school will be opened and you will have access to walk down the corridor to Team GG's classroom, where SLT will be waiting to speak to you. If the room is full and every member of staff is speaking to other parents, then simply wait in the library area and a member of staff will pop out to speak to you, when they are available.

Whilst I acknowledge this is not the same as meeting Miss Grayhurst in person, we hope you will find it useful. Should you not be able to make a time on this particular day, but would still like the opportunity to review your child's learning and speak to someone, then please do just phone school and we will accommodate an alternative date and time.

Many thanks in anticipation of your support.
