Dear Parent/Carer,

RE: Whitby Day Trip

As part of the Year 5 Geography topic next year, we are currently organising a class trip to Whitby, which is due to take place on **Friday 28th September 2018**. This topic focusses heavily on the similarities and differences between Wombwell and Whitby, allowing the children to compare the geographical features, heritage, economy, history and industry. We feel that by visiting Whitby itself, the children will experience all the favourite parts of the residential in one day and be better informed about Whitby and therefore able to make comparisons between the two towns.

The majority of the day will be self-guided, giving the children a chance to visit the harbour, beach, town and Abbey. Throughout the trip, the children will have the opportunity to experience crabbing, fossil hunting, sandcastle building, take a boat ride on Captain Cook's Bark Endeavour, walk up/down the iconic 199 steps and head up to Whitby Abbey itself. All these activities have strong cross-curricular links with Geography, History and Science. Whilst on the trip we would also like to take the children for a fish and chip dinner and treat them to an ice-cream.

As the trip includes a fish and chip dinner, children are not required to take a packed lunch with them (unless they do not wish to take part in fish and chips). However, if the children would like to take a snack and soft drink to eat at some other point in the day, we will ensure the children have the opportunity for a short break in the morning and before heading home. If your child has any dietary requirements, we ask that you inform staff in advance to allow us to make the appropriate arrangements.

To enable to children to make the most of the day, and to avoid rush hour traffic, we would ask that the children **arrive at school for 7:15am**, ready for the **coach's departure at 7:30am**. On return, the coach will arrive back at school for **6pm in the evening**. Although this will be a long day for the children and staff, it will allow them plenty of time to fit all the activities into one day and ensure that the children get the best experience of Whitby as possible.

The total cost of this trip is £20.00 per child. This has been subsidised by school funds to offset costs to you. The price for this trip includes your child's transport to and from Whitby, the cost of crabbing equipment, Captain Cook's Bark Endeavour Boat Trip and a fish and chip dinner. We appreciate that this may seem costly, especially when paying for a residential trip to Kingswood also. However, we feel that without this trip the children will be at a disadvantage as they will not have first-hand experience of the town of Whitby.

If you would like your child to participate in this fantastic day of learning, would you please complete the attached slip, payments can be made through the School Gateway or by cash or cheque. Please ensure payment, your consent and lunch details are received no later than Friday 14th September 2018.

Kindest Regards,

Mrs C Lawson
 Headteacher

Please return this page to school by Friday 14th September 2018

Wombwell Park Street Primary School – Whitby Day Trip (Friday 28th September 2018)

I would like my childto participate in the above activity.

I have paid on the School Gateway

I enclose a voluntary contribution of £20

My child would like to order: Fish and Chips (), Sausage and Chips ().

My child will bring their own packed lunch ()

Reliable emergency contact details: Name:Number:

Details of any medical conditions/allergies we should be aware of

Signature of Parent/Carer

Date.....
