Headteacher's Award

Heath in Team DB – Heath is an absolute treasure to have on the Park Street TEAM! He is such a sensible, calm and caring boy, who puts his all in to school life. In class he constantly works hard in all subject areas. He completes his school work and home work to a high standard and can always be relied upon to set a fantastic example for others to follow. Heath is really special, because not only does he have this side to him, he also knows how to have fun too and as such is well respected by his peers in Team HG and through school. Heath is a very fair and understanding boy and I look forward to teaching him every Friday morning. He brings a smile of my face because he is just what Park Street is all about – friendliness, care and compassion, hard work and fun! Always be you Heath!

PE Award from Mr Smith

Team EO for always following instructions the first time they are given!

Artist of the Week Award from Mrs Fitchett

Team CH - a group of children used clay to create a realistic model of a castle. They added features like a drawbridge and battlements, as well as adding texture for the stonework. They worked really hard as a team to make it strong and even added flag poles to the top. The rest of the class drew castle features in detail. They even labelled their designs. Well done Team CH!
